A New Digital Standard in Energy Sector Media

Whether it's a refinery in Bahrain, a gas field in Oman, or a manufacturing facility in Houston, Oil & Gas News (OGN) delivers deep, visual storytelling that allows advertisers to demonstrate products, projects, and innovations in action.

This is more than advertising — it's global presence.

This is more than reporting — it's real-time engagement

Read, Listen, Watch and Follow

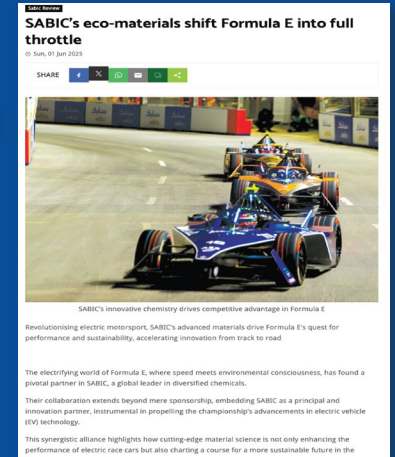

Pop-up videos featuring the latest news and intriguing stories, all with fully customisable user controls

Adverts and Editorials are now more interactive than ever!. They seamlessly transition into videos, giving users full control over volume, playback (forward/backward), pause, and fullscreen options

Click on a headline to view the story in a more reader-friendly format, complete with images

Multiple images from news articles are now showcased in a rotating carousel, complete with forward and backward controls for easy navigation

When an article features an 'ear' icon, you can choose to have it read aloud to you

Oil and Gas: Goes Fully Digital: A Bold New Era begins

For over 40 years, Oil & Gas News (OGN) has been the Middle East's leading publication dedicated to the energy sector — a trusted source of insight, analysis, and innovation since 1983.

Now, this respected title has evolved into a dynamic multimedia platform — one that doesn't just report the news, but brings the region's energy industry to life.
