

PROJECT WATCH – OMAN*

PROJECT NAME	FACILITY	BUDGET	STATUS
Al Hamra Water Transmission and Networks	Welded, Water	80,000,000	Construction
Al-Kamil (BVS 9) to Sur GSS Gas Pipeline	Welded, Gas, Gas Pipeline	300,000,000	EP
Biofuels Refinery	Biofuels	800,000,000	On Hold
Bitumen Refinery	Bitumen	300,000,000	EP
Block 12 Onshore Exploration and Production	Gas Exploration	100,000,000	Feasibility Study
Block 47 Onshore Exploration and Production	Exploration	300,000,000	EP
Block 50 (Masirah Bay Offshore) - Exploration	Exploration	250,000,000	Construction
Block 58 Onshore Exploration and Production	Exploration	80,000,000	EP
Block 60 Concession - Bisat Oilfield Development - Early Production Facility - Station C	Oil Field Development	400,000,000	EP
Block 60 Concession - Bisat Oilfield Development - Full Field Development	Oil Field Development	150,000,000	EPC ITB
Block 60 Concession Development - Overview	Oil & Gas Field	1,100,000,000	Construction
Block 7 Onshore Exploration and Production	Exploration	160,000,000	Construction
Crude Oil Refinery	Petroleum Oil Refinery	5,000,000,000	Project Announced
Duqm Petrochemical Project (DPP)	Butadiene, MTBE, Polyethylene, Aromatics, Ethylene Glycol, Ethylene Oxide	9,000,000,000	On Hold
Duqm Refinery - Main Process Units	Petroleum Oil Refinery	4,000,000,000	Construction
Duqm Refinery - Offsite Facilities	Petroleum Oil Refinery	800,000,000	Construction
Duqm Refinery - Offsites and Utilities	Petroleum Oil Refinery	2,000,000,000	Construction
Duqm Refinery - Overview	Petroleum Oil Refinery	7,700,000,000	Construction
Floating Storage Regasification Unit (FSRU)	LNG Regassification	500,000,000	On Hold
LNG Plant Upgrade	Liquefied Natural Gas (LNG)	100,000,000	Construction
Low Sulphur Fuel Oil Refinery	Petroleum Oil Refinery	1,500,000,000	FEED
Mabrouk North East Deep Gas Field Development	Gas Field Development	5,000,000,000	EP
Mabrouk North East Line Pipe	Welded, Gas	170,000,000	Construction
Main Line Oil - Ras Markaz Crude Oil Terminal Pipeline	Welded, Oil	300,000,000	Pre-FEED
Marmul Main Production Station (MMPS) - Gas Compression	Gas Compression	150,000,000	EP
Marmul Polymer Phase 3 (MPP3) - Off-Plot and On-Plot Production Facilities	Oil Field Development	270,000,000	Construction
Methanol-to-olefin (MTO) Scheme	Polyethylene, Polypropylene	2,300,000,000	On Hold
Muscat Gas Network	Gas Network	100,000,000	On Hold
Nylon Plant	Nylon	250,000,000	On Hold
Ras Markaz Crude Oil Park - Overview	Oil Storage Terminal	400,000,000	Construction
Ras Markaz Crude Oil Park - Phase 1 (Tanks, Marine, and Infrastructure Facilities)	Oil Storage Terminal	400,000,000	Construction
Ras Markaz Crude Oil Park - Phases 3, 4, and 5	Oil Storage Terminal	210,000,003	Project Announced
Salalah Refinery Project	Refinery	2,500,000,000	FEED
Sohar - Barka Water Transmission Line Reinforcement	Welded, Water	208,000,000	Construction
Sohar LNG Bunkering Terminal (SLNGB)	Liquefied Natural Gas (LNG)	200,000,000	EPC ITB
Sohar Sugar Refinery	Sugar Refinery	200,000,000	EP
South Grid Debottlenecking - Phase 2 (32 Km Loopline)	Welded, Gas	150,000,000	EP
Sur Refinery and Petrochemical Complex	Refinery	10,000,000,000	Pre-FEED
Water Transmission System from Sohar to Dhahira Governorate	Welded, Water	520,000,000	Construction
Yibal Khuff Sudair Oil and Gas Field Development	Oil Field Development	3,000,000,000	Commissioning
